COMPLETION-CUM-EXPERIENCE CERTIFICATE

Certificate No.: ROUNDBIT/CODEMY/125/2290 | Date: 25th April 2025

This is to certify that **Rohit Kumar**, bearing the email/contact rohit.kumar9077@gmail.com Ph.: +91 7892791867, has successfully completed the **Training-Based Internship Program** at **Round Bit Technologies Pvt Ltd** in the department of **Software Engineering**.

The internship was conducted from **5th Jan 2025** to **25th April 2025**, covering a total duration of **4 months**. During this period, the candidate underwent structured training and practical learning modules consisting of:

- Hands-on project work
- Skill-based training sessions
- Workshops, assessments, and guided tasks
- Real-time exposure to **Tools & Technologies covered under the program**

We acknowledge that **Rohit Kumar** has demonstrated:

- Professional behaviour and dedication
- Willingness to learn and adapt
- Ability to work on practical assignments
- Consistent participation throughout the program

Based on the candidate's performance, we hereby issue this **Completion-cum-Experience Certificate**, recognizing the learning, contribution, and practical exposure gained during the training tenure.

This certificate is awarded as a record of completion and experience acquired through participation in our structured training program.
